La loge du pic noir is on your right n° 5A.

A private parking is available on the right side of the lodge.
The left side is private and is not part of the Loge du Pic Noir.

Advise :

The small street is a dead end street.

A turning place is available about 100m after the gite on your left.

We recommend that you park your vehicles in reverse in order to be able to drive back in the right direction easily.

This allows you to park several vehicles without having to maneuver when starting again.
